Vaucanson, Jacques de, 1709–1782.
An account of the mechanism of an automaton, or image playing on the German-flute: as it was presented in a Memoire, to the gentlemen of the Royal-Academy of Sciences at Paris. By M. Vaucanson, inventor and maker of the said machine. Together with a description of an artificial duck...performing several operations in imitation of a living duck: contrived by the same person. As also that of another image...playing on the tabor and pipe; as he has given an account of them since the Memoire was written.
